Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff
 THRU : Chief, Intelligence School *rmf*
 FROM :

DATE: 11 January 1956

SUBJECT: Studies in Intelligence Project
 Report of Activities
 4 January - 11 January 1956

1. On the second issue of Studies in Intelligence (the "capabilities" issue):

- (a) the proofs were returned to the printer on 10 January. cannot promise to have the job finished before 25 January because of a priority ONE publication. The press run will be 1000 copies.
- (b) will distribute 580 copies, following a revised regulations list. We will send out roughly 50 copies to members of the Director's Monthly Conference and to others in the Agency who have requested personal copies. OGR will send 112 copies to IAC agencies, following their requests.
- (c) I will have the various covering memos ready by next week, for Mr. Baird's approval and signature.

2. I am meeting with on Friday to go over final revisions in Max Millikan's manuscript on Economic Intelligence. This, together with an article by on Methods of Economic Analysis, will comprise the third Study. I hope to have the contents in the printer's hands by 1 February.

3. I have held off completing my 1955 progress report (covering Studies in preparation and under discussion) until I can see a few more people who have promised either manuscripts or outlines. I hope to turn it in along with next week's activities report.
